Demonstration Breaks Loose
After Unanimous Election
by Federation

ONE CONTEST DEVELOPS

By Associated Press.
Cincinnati, June 23.—President Samuel Gompers of the American Federation of Labor was re-elected without opposition today at the federation's annual convention. After the unanimous vote had been cast for Mr. Gompers a demonstration broke loose among the delegates which continued a few minutes. Then Mr. Gompers thanked the delegates and added:

"I shall endeavor to give the best that is in me."

The convention also re-elected James Duman, of Quincy, Mass., representing the Granite Cutters' Union, as first vice president; Joseph Valentine, Cincinnati, Metal Workers' second vice president; Frank Duffy, Indianapolis, Carpenters' Union, third vice president; William Green, Indianapolis, Miners' Union, fourth vice president; W. D. Mahon, Detroit, Street Carmen's Union, fifth vice president, and T. A. Ricketts, Chicago, Garment Workers' Union, sixth vice president.

The first contest developed when Thomas F. Flaherty, of Washington, representing the Post Office Clerks' Union, was nominated to oppose the re-election of Jacob Fischer, of Indianapolis, president of the Barber's Union as seventh vice president of the federation.

Mr. Fischer defeated Mr. Flaherty by a narrow victory, receiving on a vote of 17,725 to 13,279, and then Matthew J. Wells, of Chicago, representing the Photo Engravers' Union, was re-elected eighth vice president without a contest.

In the second contest Daniel J. Tolman, of Indianapolis, president of the Teamsters' Union, was re-elected as treasurer over Joseph A. Franklin, of Kansas City, president of the Bakers' Union. The vote was: Tolman, 18,519; Franklin, 12,542.

The election of officers was completed except election of fraternal delegates by the re-election without opposition of Frank Morrison, of Washington, as secretary. He is a member of the Printers' Union, and has been secretary for twenty-five years.

The delegates arose and applauded the re-election of Morrison.

GIRLS SMOKE PIPES

Fashion is Introduced by Smart Set in London Cafes

London, June 23.—(By A. P.)—London's smart young women have introduced the pipe, piping along at restaurants and cafés. The pipes usually are small and of rich briar or meerschaum, with slender stems and gold rings. Virginia tobacco flavored with attar of roses or some Oriental perfume is favored.

The girls say they prefer pipe-smoking to cigarette because it is cooler and cleaner and doesn't stain the hands as cigarette does.

One society woman has a predilection for cigars and is not shy about smoking them in public places.

Bronx Man Asserts He Never Was "Missing"

New York, June 23.—(By A. P.)—Allegations made by Mrs. Michael J. Slattery, of Kingbridge road, Bronx, in the first divorce suit brought in that county under the new "Enoch Arden" law, will be investigated today by the District Attorney. Witnesses have been summoned to his office.

The "Enoch Arden" law permits divorce when a spouse has been absent five years and cannot be found. Mrs. Slattery began her action last week. Michael Joseph Slattery appeared at the Bronx County Clerk's office Wednesday.

"Who says I'm dead?" he demanded. "The missing husband." My wife has been all along. They have lived at 442 East 146th street."

SILZER FOR GOVERNOR

New Jersey Circuit Court Judge Announces His Candidacy

Trenton, June 23.—(By A. P.)—Court Judge George S. Silzer, of Metuchen, today formally announced his candidacy for the Democratic nomination for Governor. State Banking and Insurance Commissioner William E. Taft, of Middlesex, who has been an avowed candidate for some time, and a bitter primary election challenger seems certain to result.

It is expected that Major Frank Hague, of Jersey City, will actively support Judge Silzer, while Mr. Taft will receive the backing of independent Democrats.

Judge Silzer made his decision known in a written letter, one addressed to him by Middlesex County Judge Peter F. Daly. Judge Daly pointed out that Middlesex Democrats active in politics were unanimous in their desire to have Judge Silzer elected Governor.

OLD-AGE PENSIONS URGED

Congressman Morin Addresses Convention of New Jersey Eagles

Atlantic City, June 23.—Addressing the New Jersey State convention of the National Order of Eagles, Congressman John M. Morin of the Douglass Memorial presented a broad program of movement to establish old age pension laws in all States of the Union.

The Eagles will not be content until we see an old age pension law enacted in every State. Such a bill has already been drawn, and we must bend all our efforts to seeing that it goes through. The committees of Legislature in the 11th Congress, I am sure, will provide for a sum being given to any person whose income does not exceed \$300 a year."

Congressman Morin asserted that the actual cost to the State under the pension system would be less than the present running of homes for the aged.
